

International Betting Integrity Association

Data Standards Auditing Application Form

The International Betting Integrity Association (IBIA) Data Standards should be read before completing this application form. The following application details must be completed.

Application Details

A. Applicant

Company Name:
Primary Point of Contact:
Country of Establishment:
Email Address and Telephone Number:
Company Registration Number:
Date of Registration:

B. Applicant's mailing address in country of establishment

Street or PO Box:
Post Code and City:
Country:

C. Data brands

Please list all the data collation and distribution brands you own fully:
Please list any data collation and distribution brands with which you have a joint venture:

D. Auditing fees

The annual data standards auditing fees are agreed with the IBIA approved auditing party. The current approved auditor is eCOGRA and the annual cost is £3,168.00. An additional hourly fee will be charged for any additional follow-up review work. The process and costs will be set out by eCOGRA for agreement prior to any auditing. Does your company agree to the auditing process as explained hereto? YES/NO
--

Further details may be requested as IBIA determines appropriate. The applicant is required to advise IBIA of any substantive change to the information contained in this form. The applicant may also be asked to update the details in this form as and when IBIA determines. The above-named company hereby applies for data standards auditing and agrees to adhere to the IBIA Data Standards principles. This form should be completed and sent to info@ibia.bet.
